

## The Earth is Our Home

(Katydid's fade in and out to start and end song)

### CHORUS:

G C  
The earth is our body, yours and mine  
G  
The wind is our skin, soft and free  
D  
It feels so cool, wild and green  
G  
Caressing our flowers, red and gold  
C  
The rivers run far, bubbling blue  
G  
The trees root deep, arms and legs  
D  
The day and the night, sun and moon  
G C G  
Is the heart of the world, burning bright

### VERSE

C G D  
How could we even think that fences belong on land  
F D G  
A tree belongs to all its friends, so does the beaches sands  
C G D  
The air we breathe cannot be caged; water is for all to drink  
F D G  
A smile belongs on every face, we can change it its not too late

(Ending: Repeat chorus and then last verse)
