

SPRINGTIME BLESSING

C G
Let the springtime be, it's warming gentle breeze

C F G C
Awakening the sleeping love, inside of you and me

C G
Watch the earth unfold, breath deep be purified

C F G C
With love that's here in every breath, descending from the skies

BRIDGE:

C Am G F C
Winter's long in leaving, it's song a chilling gray
F C F G G7
But children of the springtime, are happy day to dayay

C G
Let the people be, to flower as they please
C F G C
So all the world can be free, let the springtime be

(Ending: Repeat Bridge and Last Verse and finish with the following:)

F G C F G C F G C
Let the springtime be, let the springtime beee
