ALL IS WELL (Capo up 2, key of A)

G D C G Em D C D G
I love the trees, the trees love me/ climbing in your loving limbs/ I love the trees
G D C G Em D C D G
I love the sky, the sky loves me/ Bathing in the bluest rain/ I love the sky

CHORUS:

C G C G C G D
Oh why why why do I worry what they say
C G
When every precious part of me is happy in every way
C G C G C G D
My body needs no touching up, my mind is wise and free
C G
Hey, world, I'm doing great/ all is well with me

**(Ending: repeat last line twice twice and then repeat last 5 words twice more.
Finishing G C D G)**

I love the sun, the sun loves me/ Growing sweetly in your light/ I love the sun

I love the night, the night loves me/ Gently rocking me to sleep/ I love the night
CHORUS

I love my life, my life loves me/ cherishing the greatest gift/ I love my life

I love myself, my self loves me/ Dancing with the universe/ I love myself
CHORUS
