WE ARE ONE

C G
I reach my arms up in the air, I find a cloud that lives up there
C G F C
I bring the cloud up to the sun, and show the cloud that we are one

CHORUS

F C G
We are one, we are one, I show the cloud (worm, tree, etc) that we are one
F C G F C
We are one, we are one, I show the cloud (worm, tree, etc) that we are one

C G
I reach my arms down in the ground, I find a worm that lives around
C G F C
I bring the worm up to the sun, and show the worm that we are one CHORUS

C G
I reach my arms around a tree, I find a bird who lives so free
C G F C
I bring the bird up to the sun, and show the bird that we are one CHORUS

C G
I reach my arms around the town, I find a child who's feeling down
C G F C
I bring the child up to the sun, and show the child that we are one CHORUS

C G
I reach my arms around the world, I find a friend who's like a pearl
C G F C
I bring my friend up to the sun, and show the my friend that we are one CHORUS
